# More to “Check Out” at the Library

**CO2 MONITOR**  
**AVAILABLE TO BORROW**

CO2 levels are an indicator of indoor air quality

CO2 readings can help determine if you should take simple steps to lower the risk of indoor viral transmissions.

Ask us for more information!

\*It's important to note that carbon dioxide (CO2) monitors are not carbon monoxide (CO) monitors, nor are they life-saving devices.

## Did you know?

Long term exposure to radon is the second leading cause of lung cancer.

Radon Screening Kits are available to borrow!

Brought to you in partnership by:

To place a hold, visit [www.chinookarch.ca](http://www.chinookarch.ca) and type Radon Screening Program Kit into the search bar.

# Check out the new and improved Solaro!

**Solaro has updated their website.**

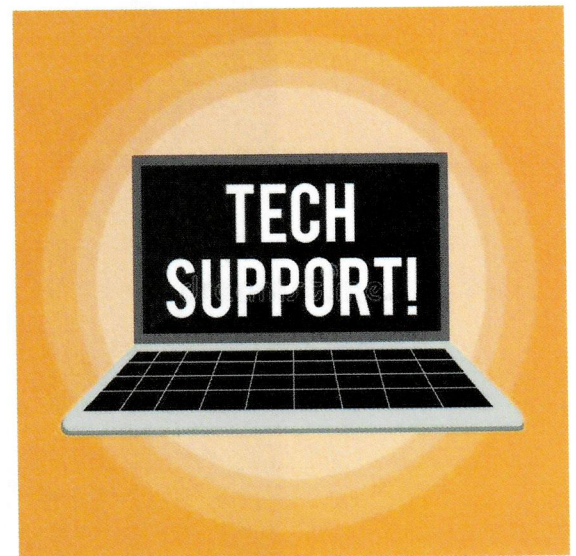

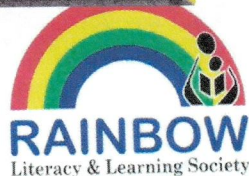

**If you have used Solaro before, you will need to:**

- Visit the new Solaro login here:

- Create a new account by logging in with your library card.
- Update your bookmarks with the new site.
- Enjoy the new and improved Solaro experience!

Solaro is a homework help tool designed for Alberta students in grades 3 to 12.
